

TECHNO BEE EMBROIDERED

Collection Moooi Wallcovering Green
House

Story behind the collection

Step into the Green House, a realm of quiet and romantic sophistication - a tapestry of refined and elegant flora and fauna. Here, the Coccinella Bella, Woodblock Beetle, Silk Bombis, Lacy Longlegs and Techno Bee find sanctuary amidst their chosen greenery. Together, they created a wondrous and tactile world. This world is captured in the Green House Wallcovering Collection.
