

GREENHOUSE GATHERING WINDOW

Collection Moooi Wallcovering Green
House

Story behind the collection

Step into the Green House, a realm of quiet and romantic sophistication - a tapestry of refined and elegant flora and fauna. Here, the Coccinella Bella, Woodblock Beetle, Silk Bombis, Lacy Longlegs and Techno Bee find sanctuary amidst their chosen greenery. Together, they created a wondrous and tactile world. This world is captured in the Green House Wallcovering Collection.

Technical specifications

Reference	MO5052 • Forest Green
Product category	Exquisite
Composition	Textile wallcovering on non-woven backing
Description	A stunning wallcovering that draws inspiration from decorative moulding, the soft suede look adds tactility
