PURO

Collection Figura

L'histoire de la collection

La collection Figura est pour le moins éclectique. Que vous aimiez les pois, les rayures, les carreaux ou les fleurs, elle fera votre bonheur. La collection comprend plusieurs influences du passé, comme des motifs des années 70, ainsi que des notes de couleurs modernes et d'exotisme. La collection convient ainsi parfaitement aux amateurs de design qui aiment repousser les limites et osent combiner les styles.
